The **1** Page Podcast Plan

Build authority. Own your audience. Skip social media burnout.

Start Here

You shouldn't feel stuck producing content that disappears. Follow this plan, and you'll be quickly and easily crafting long-lasting authority assets.

STEP 1 – CLAIM

Your Authority Position
Define who you help and why your expertise matters.

STEP 2 – CONNECT

Voice-First Foundation
Record authority-building audio using simple, accessible tools.

STEP 3 – CREATE

The S.A.V. Framework
Structure every episode with Story, Authority, and Value.

STEP 4 – GENERATE

The Authority Content Engine
Turn real patient questions into evergreen episodes.

STEP 5 – RECORD

The 30-Minute Weekly System
Record & publish one lasting authority asset in 30 minutes a week.

STEP 6 – DISTRIBUTE

Platform Independence
Build an audience you own - not rented through other platforms.

STEP 7 – CONVERT

Premium Client Acquisition
Turn authority into pre-sold, premium patients and clients.

The Authority Freedom Promise

- Escape social media burnout
- Build authority assets that compound for years
- Own your audience through platform independence
- Save $18,000+ annually in social media costs
- Attract premium, pre-sold clients
- Restore professional dignity

This isn't just a podcast system. It's your exit strategy from algorithm prison - and your path to authority freedom.
